FIGURE 11B

The screenshot shows a software interface for creating a new user. The title bar includes 'File', 'Talent manager', 'Project manager', 'Tools', and 'Reports'. Below the title bar is a menu bar with 'File', 'Edit', 'View', 'Tools', 'Help', and 'Reports'. The main window has a sidebar on the left with 'User manager', 'Add new user', 'Talent search', 'Group manager', and 'Create invoice'. The main area is titled 'Create new user' and contains the text 'Create a new Studio Mogul user.' Below this is a box titled 'Choose the user type you would like to create.' with a list of user types and their descriptions. The 'Global Studio member' option is selected. At the bottom of the dialog are 'Cancel' and 'Next' buttons. The status bar at the bottom left says 'Logged in as: Kaiman Kammer (Access level: 170)'.

The screenshot shows a software application window with a menu bar at the top containing 'File', 'Talent manager', 'Project manager', 'Tools', and 'Reports'. Below the menu bar is a toolbar with several icons. The main content area is titled 'New User Group' and contains the instruction 'Create a new user group'. Below this is a horizontal separator line. The form contains two input fields: 'Group name:' with a single-line text box, and 'Description:' with a multi-line text box. At the bottom right of the form are two buttons: 'Cancel' and 'OK'. A status bar at the very bottom of the window displays the text 'Logged in as: Kolman Kombar (Access level: 170)'.

The screenshot shows a web application interface with a top navigation bar containing links for 'File', 'Talent manager', 'Project manager', 'Tools', and 'Reports'. Below this is a sub-header 'Project id: 1042'. On the left is a sidebar menu with options: 'Screening room manager', 'Screening room details', 'File manager', 'Folder manager', 'Guest login manager', and 'Screening room settings' (which is highlighted). The main content area is titled 'Screening Room settings' and contains the following information:

Screening room: Cabbage Patch Kids (Production #1042)  
View and edit Screening Room settings.

---

Production name: Cabbage Patch Kids  
Production status: Production  
Production start date: 4/30/2003  
Production end date: 5/25/2003

---

Client: DPS (Joshua White)

	Josh White (5/27/2003 11:37:37 AM)	"One of a Kind" The Cabbage Patch Kids featuring Jamie Lee Ripe Records
beautyspot.jpg	Della Tolhurst (6/13/2003 4:12:31 PM)	Hi Josh, I just sent you a couple of e-mails on our comments. Thanks, Della
beautyspot(2).jpg	Weyne LeBlang (6/27/2003 1:33:02 PM)	Hi Josh, They are looking better! I think that the star of the show has improved the most. There is still some work to be done, but I would like to get Xavier's comments before I call. If we can't approve all of the characters today, would it help to approve even one? Thanks, Della

FIGURE 55

The screenshot shows a web application interface. At the top, there is a navigation bar with tabs: 'File', 'Talent manager', 'Project manager', 'Tools', and 'Reports'. Below the tabs is a horizontal toolbar with several icons. The main content area is titled 'New Production Information' and is divided into a left sidebar and a right main panel. The sidebar contains a vertical list of icons. The main panel has a 'Production Description' section with the following fields: 'Production name:' (a text input field), 'Project status:' (a radio button group with options: 'In Development', 'Pre Production', 'Production', 'Post Production', and 'Complete'), 'Start date:' (a date picker), and 'End date:' (a date picker). Below these is a 'Production team' section with 'Producer:' (a text input field), 'Production manager:' (a text input field), and 'Production group name:' (a text input field). To the right of these fields are two 'Browse users' buttons. At the bottom of the main panel are 'Cancel' and 'Next' buttons. A status bar at the very bottom of the window reads 'Logged in as: Kaban Kabaner (Access level: 170)'.

The screenshot shows a web browser window titled "DPS Studio Mogul - Microsoft Internet Explorer". The address bar displays "http://www.globalanimationstudio.com/webmogul/". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains buttons for Back, Forward, Home, Search, Favorites, Media, and a Go button. The status bar at the bottom indicates "Logged in as Stu Goldworth (Access level: 200)".

The main content area is titled "Create new user" and includes the instruction "Create a new Studio Mogul user". It features a text input field for "Enter user notes." and a larger text area for "Enter notes about this user." Below these fields are "Back" and "Next" buttons.

The taskbar at the bottom shows several open applications: "Creating Hierarchical Menus: 3\_5 / 2", "OSV2's Buddy List ...", "Inbox - Outlook Ex...", "DPS Studio Mog...", and "Untitled - Paint". The system clock in the bottom right corner shows "3:54 PM".

The image shows a web browser window with a title bar that reads "Add new file to Screening Room". The page content is a form with the same title. The form has two main sections: "File name" and "File notes". The "File name" section contains a text input field with the placeholder text "Type the name of a file you would like to add to the Screening Room. (or click 'Browse' to find a file)" and a "Browse..." button. The "File notes" section contains a text area with the placeholder text "Type a short description of the file you are submitting". At the bottom of the form are two buttons: "Cancel" and "Transfer".
